PARADE INFORMATION

1. If you are bringing in horse trailers, they may be left in the Merigan field on Viejas. Watch for drop off signs AND RIDE YOUR HORSES UP VIEJAS GRADE TO START...no trailers in staging area

2. You may leave your car/truck at the parade starting location on Viejas Grade or at the Descanso Elementary School at the parades end...24842 Viejas. There is a large field between the school and the library for drop offs. Then walk up to the parade beginning, less than a ½ mile.

3. WHEN YOU HAVE FINISHED THE PARADE ROUTE...PLEASE DO NOT leave until the last entry is finished...It will say Parade End...then you may proceed back out. If you have to leave early, only go east on Viejas toward 79. Do not head back over parade route. This causes a terrible traffic problem and is very dangerous...
